 We can't wait to see you there!

The rich man ('Dives') is so totally *self*-absorbed in the *self* indulgence of his wealth that he does not even notice poor Lazarus at his gate. *He* created such a huge chasm between himself and the poor that not one crumb of food or companionship could cross over to Lazarus.

This chasm, *created* by Dives, was fixed at the moment of his death so that not one part of the life of Paradise could cross over to him – not even a drop of water. Hell is not a punishment sent by God. It is simply the continuation of the Divide which some have chosen as that which defines who they are. Hell is of our own making.

We could pause for a moment to check that we are making such choices that we become amongst those 'carried gently by the angels into Paradise'.
